Fitchburg

Fitchburg is a diverse and growing city in southern Wisconsin with a population of over 26,000. Spanning nearly 35 square miles, Fitchburg is surrounded by family farms, community parks and world class bike trails. Bordering the City of Madison to the south, Fitchburg is just minutes away from the State Capitol, the University of Wisconsin-Madison campus and beautiful lakes.

THE DEPARTMENT

A strong community-policing philosophy guides the efforts of the department as officers work with partners in the community to identify and solve problems.

The department's authorized sworn strength is 50 officers. They are supported by 12 civilian employees. All department members are dedicated to working together to provide a high level of service to the community.

JOIN THE TEAM

New officers receive initial training through a State of Wisconsin Basic Recruit Academy. Upon completion of the 720 hour academy, new officers participate in a 16 week field -training program. After completion of the probationary period new officers are eligible to apply for specialized assignments in addition to their regular assignment.

Current specialized assignments include: Crime Prevention Officer, Dane County Narcotics Task Force, Evidence Technician, Field Training Officer, Honor Guard, K9 Handler, Motorcycle Patrol, Mountain Bike Patrol, Special Events Team and Tactics Instructors.
